

**LONDON COLLEGE
OF MANAGEMENT AND
LEADERSHIP EDUCATION**

MAKE YOUR CHOICE OF COURSE

**Where you have Built Expertise and Authority over the Years in the
Formal or Informal Sectors across any Industry.**

1. Accident and Incident Investigation
2. Accounting Management
3. Accounting Principles and Practice
4. Administrative Management and Implementation
5. Adult Education and Development
6. Agribusiness Management
7. Agricultural Entrepreneurship
8. Agricultural Management and Control
9. Agricultural Processing and Management
10. Agricultural Safety Management
11. Agricultural Supply Chain Management
12. AI for Business Management
13. AI for Education Management
14. AI for Healthcare Management
15. AI for Manufacturing Management
16. Alternative Dispute Resolution Management
17. Applied Artificial Intelligence
18. Architectural Design and Management
19. Architectural Technology and Engineering
20. Artificial Intelligence and Control
21. Asset Maintenance and Management
22. Auditing and Assurance Monitoring
23. Automation Engineering and Management
24. Aviation Logistics and Control
25. Banking and Financial Services Management
26. Banking Operations and Finance
27. Big Data Management
28. Brand Management and Strategy
29. Bridge Engineering and Management
30. Building Design and Project Management
31. Building Information and Modelling

32. Building Maintenance and Management
33. Building Technology and Engineering
34. Business Administration
35. Business and Strategic Management
36. Business Communication and Strategy
37. Business Continuity Management
38. Business Development Management
39. Business Economics and Management
40. Business Excellence and Performance Audit
41. Business Innovation and Social Entrepreneurship
42. Business Law Management
43. Business Operations and Management
44. Business Planning and Strategy
45. Carbon Management and Reduction Management
46. Catering Management and Leadership
47. Civil Aviation Management and Administration
48. Classroom Management and Control
49. Climate Change Management
50. Climate Risk Management
51. Cloud Computing and Management
52. Comedy, Entertainment and Creative Industry Management
53. Commercial Building Design and Development
54. Commercial Law Management
55. Communication and Presentation Skills Strategy
56. Community Development and Health Control
57. Community Development and Leadership
58. Community Governance and Management
59. Community Health Management
60. Compensation and Benefits Management
61. Computer Networking
62. Computer Science and Management
63. Computer-Aided Design and Management
64. Concrete Technology and Engineering
65. Conference Planning and Management
66. Construction and Engineering Site Management
67. Construction Contracts Management
68. Construction Cost Management and Control
69. Construction Drawing and Documentation
70. Construction Engineering Estimating and Finance
71. Construction Engineering Management
72. Construction Health and Safety Management
73. Construction Health and Safety Management
74. Construction Law Management
75. Construction Management and Leadership

76. Construction Planning and Management
77. Construction Procurement and Management
78. Construction Project Management
79. Construction Quality Management
80. Construction Site Management and Leadership
81. Construction Supervision and Control
82. Content Creation and Development
83. Continuous Improvement Management
84. Contract Law Management
85. Contract Management and Administration
86. Contractor Safety Management and Leadership
87. Corporate Communications and Administration
88. Corporate Compliance Management
89. Corporate Finance and Management
90. Corporate Governance and Leadership
91. Corporate Governance and Management
92. Corporate Law Management
93. Corporate Management and Strategy
94. Corporate Security Management
95. Cost and Accounting Management
96. Crisis Communication Management
97. Crisis Management and Control
98. Crop Production Management
99. Curriculum Development and Learning
100. Customer Relationship Management
101. Cyber Incident Response and Planning
102. Cyber Resilience and Management
103. Cyber Risk Management
104. Cyber Threat Awareness and Control
105. Cybersecurity Governance
106. Cybersecurity Leadership and Management
107. Cybersecurity Management
108. Data Analytics and Business Intelligence
109. Data Protection and Privacy Management
110. Database Management and Control
111. Decision-Making for Directors and Managers
112. Design Management and Control
113. Design Project Management
114. Digital Content Management and Leadership
115. Digital Education Management
116. Digital Forensics Management
117. Digital Innovation and Technology Management
118. Digital Literacy and Management
119. Digital Marketing Management

120. Digital Systems and Management
121. Digital Transformation Management
122. Diplomacy and International Affairs
123. Disaster Management and Control
124. Disease Prevention and Control Management
125. Drainage and Stormwater Engineering Management
126. Education Management and Leadership
127. Educational Assessment Auditing
128. Educational Quality Management
129. Educational Technology and Strategy
130. E-Learning Management and Development
131. Electrical Engineering and Management
132. Electrical Fault Finding and Strategy
133. Electrical Installation and Management
134. Electrical Maintenance and Management
135. Electrical Power Distribution and Management
136. Electrical Project Management and Leadership
137. Electrical Safety and Maintenance
138. Electrical Testing, Inspection and Auditing
139. Electronics Engineering and Management
140. Emergency Management and Control
141. Emergency Preparedness and Response Management
142. Emerging Technologies and Management
143. Employee Engagement and Welfare
144. Employee Health Promotion
145. Employee Relations and Counselling
146. Employee Wellness and Management
147. Employment Law Management
148. Energy and Power Generation Management
149. Energy Auditing and Planning
150. Energy Efficiency Management
151. Energy Management
152. Energy Project Management
153. Energy Risk Management
154. Energy Sustainability and Management
155. Engineering Asset Management
156. Engineering Design Principles
157. Engineering Innovation and Technology Management
158. Engineering Inspection and Compliance
159. Engineering Instrumentation and Control
160. Engineering Maintenance and Planning
161. Engineering Maintenance Management
162. Engineering Management and Leadership
163. Engineering Management and Technology

164. Engineering Operations Management
165. Engineering Procurement and Contract Management
166. Engineering Project Management
167. Engineering Quality Management
168. Engineering Risk Management
169. Engineering Safety Management
170. Engineering Workshop Management
171. Entrepreneurship and Development
172. Entrepreneurship Finance and Investment
173. Environmental and Compliance Management
174. Environmental and Sustainability Management
175. Environmental Auditing and Inspection
176. Environmental Design and Management
177. Environmental Impact Assessment Management
178. Environmental Law Management
179. Environmental Risk Management
180. Environmental Social Governance (ESG) Management
181. Environmental Sustainability and Leadership
182. Ethics and Compliance Management
183. Event Safety Management and Control
184. Event Security Management and Control
185. Events Management and Leadership
186. Events Planning and Strategy Development
187. Executive Business Management and Leadership
188. Executive Leadership and Development
189. Exhibition Planning and Management
190. Facilities and Assets Management
191. Factory Team Lead and Management
192. Farm Management and Control
193. Fatigue Risk and Management
194. Financial Accounting
195. Financial Management Culture
196. Financial Risk Management
197. Fire Safety Management
198. Fleet Management and Planning
199. Food Manufacturing Management
200. Food Processing Management
201. Food Quality and Assurance Management
202. Food Safety Management
203. Food Science and Technology
204. Freight Management
205. Geotechnical Engineering and Management
206. Global Governance and Leadership
207. Global Health Studies

208. Global Security Studies and Development
209. Governance and Leadership Strategy
210. Governance Risk and Compliance
211. Government Project Management
212. Health and Safety Auditing
213. Health and Safety Law Management
214. Health and Safety Management
215. Health Emergency Management
216. Health Policy and Management
217. Health Promotion and Awareness
218. Health Records Management and Planning
219. Health Services Management
220. Healthcare Leadership and Management
221. Healthcare Management and Administration
222. Healthcare Project Management
223. Healthcare Quality Management
224. Highway Engineering and Management
225. Hospital Management and Administration
226. Hospitality Management and Leadership
227. Hospitality Projects and Operations
228. Hotel Management and Strategy
229. HR Compliance and Analytics
230. Human Capital Management Development
231. Human Resources Management
232. Humanitarian Management and Leadership
233. Industrial and Production Management
234. Industrial Electrical Systems and Management
235. Industrial Electronics and Management
236. Industrial Engineering and Management
237. Industrial Equipment and Maintenance
238. Industrial Hygiene and Management
239. Industrial Performance Management
240. Industrial Process Management
241. Industrial Quality Management
242. Industrial Risk Management
243. Industrial Safety Management
244. Information Risk Management
245. Information Security Auditing and Management
246. Information Security Management
247. Information Systems Management
248. Information Technology Management
249. Infrastructure Project Management
250. Innovation and Development Management
251. Institutional Management and Leadership

252. Integrated Management Systems and Leadership
253. Interior Design and Management
254. Internal Audit Management
255. International Business and Global Leadership
256. International Cooperation and Partnership
257. International Development and Policy
258. International Development Management
259. International Humanitarian Operations
260. International Project Management
261. International Relations
262. Internet of Things and Control
263. Inventory Management
264. Investment and Finance Management
265. ISO Management Systems
266. IT Service and Management
267. IT Support and Management
268. Journalism and Media Management
269. Labour Law Management
270. Labour Relations and Management
271. Landscape Design and Management
272. Lean Manufacturing and Management
273. Learning and Educational Development
274. Legal Administration and Leadership
275. Legal Risk Management
276. Legal Studies and Leadership
277. Livestock Production Management
278. Local Government Administration and Management
279. Logistics and Supply Chain Management
280. Logistics Management
281. Logistics Operations Management
282. Machine Design, Control and Management
283. Machine Learning and Control
284. Machinery Safety Management
285. Management Consultancy Practice
286. Management Skills Development
287. Manual Handling Safety
288. Manufacturing Engineering and Management
289. Manufacturing Leadership
290. Manufacturing Management and Planning
291. Manufacturing Systems and Management
292. Marketing and Sales Management
293. Mechanical Engineering Management
294. Mechanical Fault Finding and Strategy
295. Mechanical Maintenance Management

296. Mechanised Agriculture and Management
297. Media Management and Leadership
298. Mentorship and Educational Leadership
299. Microfinance Management and Planning
300. Mobile Application Development
301. Network Administration and Management
302. Network Security Management
303. Occupational Health and Risk Assessment
304. Occupational Health and Safety Management
305. Occupational Health Management
306. Occupational Hygiene
307. Office Management and Planning
308. Oil and Gas Health and Safety
309. Oil and Gas Management
310. Oil and Gas Operations and Controls
311. Oil and Gas Project Management
312. Organisational Development and Planning
313. Organisational Leadership and Management
314. Organisational Resilience and Planning
315. Patient Safety Management
316. Peace and Conflict Studies Management
317. Performance Management and Monitoring
318. Performance Monitoring and Evaluation
319. Petroleum and Refinery Management
320. Petroleum Industry Management
321. Physical Security Management and Control
322. Planned Preventive Maintenance
323. Plant Engineering and Management
324. Port Operations and Management
325. Power Systems Engineering and Management
326. Predictive Maintenance
327. Process Control Systems and Management
328. Process Safety Management
329. Procurement and Logistics Management
330. Procurement Logistics and Management
331. Procurement Management and Control
332. Production Engineering and Management
333. Production Line Lead and Management
334. Production Planning and Control
335. Production Planning and Management
336. Products Distribution and Management
337. Professional Career Development and Management
338. Professional Communication Skills
339. Professional Leadership and Development

- 340. Professional Training and Facilitation
- 341. Project Administration
- 342. Project and Operations Management
- 343. Project Change Management
- 344. Project Cost Management
- 345. Project Documentation and Management
- 346. Project Leadership and Strategy
- 347. Project Management
- 348. Project Monitoring and Evaluation
- 349. Project Planning and Control
- 350. Project Procurement Management
- 351. Project Quality Management
- 352. Project Risk Management
- 353. Projects Operations and Planning
- 354. Property and Assets Management
- 355. Property Development and Management
- 356. Property Inspection and Auditing Management
- 357. Public Administration and Policy Management
- 358. Public Advertising and Management
- 359. Public Financial Management
- 360. Public Health Management
- 361. Public Procurement and Control
- 362. Public Relations Management
- 363. Public Sector Ethics and Management
- 364. Public Sector Management and Leadership
- 365. Public Service Management and Leadership
- 366. Quality Assurance and Quality Control
- 367. Quality Management Control
- 368. Quantity Surveying and Management
- 369. Real Estate Management and Leadership
- 370. Recruitment and Selection Administration
- 371. Recycling Management and Control
- 372. Regulatory Compliance and Policy
- 373. Relaxation Strategy and Management
- 374. Reliability Engineering and Management
- 375. Religious Leadership and Community Development
- 376. Renewable Electrical Systems and Management
- 377. Renewable Energy Management
- 378. Residential Building Design and Development
- 379. Restaurant Management and Leadership
- 380. Return-to-Work Management and Control
- 381. Risk Assessment and Hazard Management
- 382. Risk Management and Leadership
- 383. Road Transport and Management

384. Robotics and Automation Management
385. Root Cause Analysis and Management
386. Safety Culture and Development
387. Safety Leadership and Management
388. Sales Management and Record Keeping
389. School Administration and Management
390. Security and Safety Coordination
391. Security Awareness Management
392. Security Awareness Management
393. Security Incident Management and Planning
394. Security Leadership and Management
395. Security Management and Surveillance
396. Security Operations Management
397. Security Risk Assessment
398. Shipping and Maritime Logistics
399. Shipping and Maritime Operations Management
400. Six Sigma Management
401. Small Business Entrepreneurship
402. Small Business Management and Planning
403. Social Media Management and Control
404. Social Media Marketing and Strategy
405. Software Development and Management
406. Software Project Management
407. Solar Energy Technology
408. Space Planning and Management
409. Steel Structure Design Management
410. Stockbrokers and Investment Management
411. Strategic Human Resource Management
412. Strategic Marketing and Development
413. Strategic Public Administration
414. Strategic Sourcing and Supplier Management
415. Structural Engineering and Management
416. Supervisory Management and Monitoring
417. Supply Chain Management
418. Supply Chain Risk Management
419. Supply Chain Sustainability
420. Sustainable Architecture and Development
421. Sustainable Construction and Management
422. Sustainable Development
423. Sustainable Development Studies
424. Sustainable Energy Systems and Management
425. Sustainable Tourism Management
426. Systems Administration and Control
427. Talent Strategy and Management

- 428. Taxation Management
- 429. Teacher Professional Development
- 430. Teaching and Learning Management
- 431. Team Leadership and Management
- 432. Telecommunications Engineering and Management
- 433. Total Productive Maintenance
- 434. Total Quality Management
- 435. Tourism Entrepreneurship and Strategy
- 436. Tourism Management and Leadership
- 437. Tourism Marketing and Planning
- 438. Town Planning and Development
- 439. Training and Development Management
- 440. Training and Development Strategy
- 441. Transport Control and Management
- 442. Transportation Engineering and Management
- 443. Travel Management and Control
- 444. Urban Planning and Development
- 445. Vocational Education and Training
- 446. Warehouse Control and Management
- 447. Waste Management and Waste Minimisation
- 448. Water Resource Management and Leadership
- 449. Water Resources Engineering and Management
- 450. Web Development and Management
- 451. Wind Energy and Management
- 452. Workforce Planning and Control
- 453. Workplace Conflict Management
- 454. Workplace Ergonomics
- 455. Workplace Exposure and Management
- 456. Workplace Health and Safety Management
- 457. Workplace Health and Surveillance
- 458. Workplace Mental Wellbeing
- 459. Workplace Risk Management
- 460. Workplace Stress Management
- 461. Workplace Transport Safety
- 462. Workplace Wellbeing
